

## CanGenWeb Cemetery Project

Bruce County Genealogical Society cemetery committee started using CanGenWeb Cemetery Project. We uploaded a lot of photos to this project over a number of years. Unfortunately, it has changed drastically. Ontario Ancestors has taken it over and they have it free for everyone.

On **CanGenWeb Cemetery Project** - you can **Find A Person** or **Find A Cemetery** Go to:  
<https://cemetery.canadagenweb.org/>

### Search Tips:

- The search field on the top right will search the entire person database. For faster and better results use the other search fields instead.
- You can use one, two, three or all to narrow your search. For broader results use one or two.
- If unsure of spelling use % as a wildcard (e.g. Brow%)
- Type your search request and then hit enter on your keyboard/keypad.
- To do a new search make sure all the search fields are blank (you may need to refresh the page).
- The province / territory field uses only the [abbreviations](#)

To view a list of all persons in just one cemetery, type the exact name of the cemetery in the cemetery field (you may need to [find the cemetery](#) first to ensure you have the correct name). In the example below in the cemetery column, I entered Walkerton Cemetery and ON for Ontario in the Province. It takes a while to bring up all the people. To sort the names click on the arrow on the Last Name field.

Person Details	Last Name	First Name	Death Year	Cemetery	Province / Territory	Cemetery Details
<a href="#">View Person</a>	HUTTON	Helen C (Lawson)	1928	Walkerton Cemetery	ON	<a href="#">View Cemetery</a>
<a href="#">View Person</a>	PROCKNOW	Sophia	1906	Walkerton Cemetery	ON	<a href="#">View Cemetery</a>
<a href="#">View Person</a>	HUTTON	James	spouse	Walkerton Cemetery	ON	<a href="#">View Cemetery</a>
<a href="#">View Person</a>	HUTTON	John L.	1924	Walkerton Cemetery	ON	<a href="#">View Cemetery</a>
<a href="#">View Person</a>	LAWSON	Helen C	1928	Walkerton Cemetery	ON	<a href="#">View Cemetery</a>
<a href="#">View Person</a>	ZARN	Wilhelmine	spouse	Walkerton Cemetery	ON	<a href="#">View Cemetery</a>
<a href="#">View</a>	ANONYMOUS	Unknown	Unknown	Walkerton	ON	<a href="#">View</a>

You will notice that the names are not in any order. I suggest getting 100 entries at a time.
